

IACE Applications Now Being Accepted At National Headquarters!

All Cadets who turn 17 by 1 July 2002, and will have earned the Amelia Earhart Award by 31 December 2001 are invited by CAP's National Commander and the National Headquarters staff to apply for the 2002 International Air Cadet Exchange. We want YOU to be our US Ambassadors!

Approximately 70 cadets will be selected to participate in this year's exchange. 17 senior member escorts will be needed to accompany cadets. Individuals will be selected to visit one of the following 14 countries: Australia, Belgium, Canada, France, Germany, Hong Kong, Israel, Japan, the Netherlands, Sweden, Turkey, or the United Kingdom. In addition to being the guests of a foreign country, participants selected will spend two days in Washington, D.C.

Cadet and senior member applicants must mail the two coupons to arrive prior to 31 December 2001. **The first coupon** is to be mailed to the appropriate Wing Commander, or Region Commander (for those escort applicants on a region staff); **the second coupon** is to be mailed to HQ CAP/CPE. Application forms will be sent to all those who have sent in coupons prior to 31 December. Coupons received at National Headquarters after 31 Dec 2001 are ineligible and will not be processed. Completed applications must be back to National Headquarters by 31 January 2002.

Cadets selected to participate must have earned their Amelia Earhart Award by 31 December 2001. Cadets must be at least 17 years of age before 1 July 2002, and will not have reached their 21st birthday by the second day of August 2002. Escorts must be at least 25 years old, in excellent health, and meet CAP physical and appearance standards.

Applicants **must** be approved by their Wing and Region Commanders, and should be willing to spend approximately \$600 on uniforms and other essentials. Air transportation, lodging, and meals are provided by the United States Air Force, Civil Air Patrol, and the host countries. The goal of this excellent and rewarding opportunity is to foster international understanding, goodwill, and friendship among young people around the world who share a common interest in aviation.
